

Assignment 1: Case précis and presentation

Working in groups of 2-3, students will be responsible for producing a critical précis of *one* of the listed cases. The précis should be no more than one single-spaced page, and should: a) summarize the key facts and arguments of the case; b) connect the case to themes and ideas in the assigned common reading for the week; and c) describe the strengths and weaknesses of the case as an instance of digital government (criteria used here might include equity, inclusion, participation, transparency, accountability, efficiency, performance, scalability, etc., depending on the case under investigation).
