Collaborative Conversations Outside the Library

Anna Ercoli Schnitzer and Merle Rosenzweig

Taubman
MLibrary Health Sciences
Library

For the past few years, the librarians of the University of Michigan Taubman Health Sciences Library have been reaching out to collaborate in numerous ways. Sometimes one librarian interacts just once with a single group; in other cases, there are long-term relationships between several librarians and a whole department or with community members. Here are just a few examples of some of the collaborations that we have forged and sustained.
