

- + **President's House Questions:**
 - + **What is annual operational budget that Anne can plan with?**
 - i) Routine maintenance of House interior
 - + ii) Minor refurbishing and decorating
 - ...painting rooms
 - iii) Furniture, rugs,...
 - iv) Appliance replacement
- + **Where is the responsibility for the internal maintenance account?**
 - Who is responsible?
 - How does Anne track this?
 - + (This needs to be set up very similarly to the House renovation project...in which Anne calls the shots.)
 - project...in which Anne calls the shots.)
 - + How can Anne have the authority to make and implement
 - these decisions...without having to convene a full-blown meeting of half the University (Anita, Krumm, Reister, Spradlin...)
 - (Again, this was not necessary in the larger House project)
 - Note: Too many cooks in the soup is one of our big problems.
- + **What maintenance would be provided by University units?**
 - i) Lawn maintenance
 - + ii) House exterior
 - Painting and patching
 - Window replacement (cloudy windows)
 - + iii) House interior maintenance
 - Painting and patching
 - iv) Appliance maintenance
 - v) Security system
 - Who handles these requests?
- + **Technical Questions:**
 - i) What is "maintenance" and what is "decorating"?
- + **Inglis House Project**
 - + We should reform the basic team:
 - Anne, David Stockson, Norma Monsa
 - Paul Spradlin...
