No. 1948.

LETTERS SENT BY MAIL SHOULD BE OPENED BY THE ADDRESSEE

One Enclosure.

Captain James G. Warren, U. S. A.,

Engineer 9th Light-House District,

Milwaukee, Wisconsin.

Sir:

The Board encloses herewith, for your information, a copy of a letter from the Chief of the Bureau of Equipment, Navy Department relative to permitting the Commanding Officer of the Michigan to utilize the present structure of the lighthouse at the end of South Fox Island upon which to erect a temporary scantling structure that will give the additional height required at this point in connection with the work of surveying South Fox Island Shoal.

The Board has requested the Inspector of the 9th Light-House District to take the proper measures to give to the Commanding Officer of the Michigan, the necessary authority to use the lighthouse in the way indicated.

Respectfully,

W. M. ...

Major, Corps of Engineers, U. S. A.,

Engineer Secretary

OFFICE OF THE LIGHT HOUSE BOARD

Washington, 23 May, 1901.

1948

Major J. G. Carreu, U. S. A.,
Engineer 5th L. E. District,
Milwaukee, Wis.

Sir:

Referring to your letter of 21 May, 1901, the Board authorizes you to make repairs at South Fox Island Light-Station, Mich., at a cost not to exceed \$325.00, the work to be done under your direction by persons in your employ and by the purchase of the necessary materials of the lowest bidder after due advertisement in accordance with existing regulations.

The above named work is to be paid for from funds heretofore allotted you for the fiscal year from the appropriation Repairs &c., 1901.

Respectfully,

W. S. Lusk

Major, Corps of Engineers, U. S. A.,
Engineer Secretary.

Major J. G. Warren, U. S. A.,
Engineer 9th L. H. Dist.,
Milwaukee, Wis.

Sir:

Referring to your letter of 27 May, 1901, the Board states that it will be able to allot you funds from the appropriation Repairs, etc., of Light-Houses 1901, for payment for the repairs at South Fox Island Light-Station, Mich., authorized by Board's letter of 23 May. If the repairs can be made prior to June 30, the Board will allot and send you the necessary funds upon your making requisition therefor.

Respectfully,

W. S. Wood
Major, Corps of Engineers, U. S. A.,
Engineer Secretary.

TREASURY DEPARTMENT,

D. B. W.

OFFICE OF THE LIGHT-HOUSE BOARD

Washington, 30 Nov., 1901.

Subscribed and sworn to before me at the City of New York, this 30th day of November, 1901, by the said D. B. W. Secretary of the Light-House Board.

FILE NO 1945

One inclosure.

Major James G. Warren, U. S. A.,
Engineer, Ninth Light-House District,
Milwaukee, Wis.

Sir:

The Board incloses herewith a copy of Notice to Mariners No. 182 of 1901, giving notice that on or about 13 December, 1901, the light and fog signal at South Fox Island Light Station will be discontinued for the winter of 1901-1902.

The Board requests you to cooperate with the Inspector of the Ninth Light-House District in carrying this notice into effect upon the date specified.

Respectfully,

Major, Corps of Engineers, U. S. A.,
Engineer Secretary.

Light-House Service

Washington

28 May, 1905.

Major J. G. Warren, U. S. A.,
Engineer, Ninth Light-House District,
Milwaukee, Wis.

Sir:

As recommended in your letter of 23 May, 1905, the Board authorized you to make repairs at South Fox Island Light Station, Michigan, at an estimated cost of \$500.00, the work to be done under your direction by persons in your employ, and by the purchase of the necessary materials in accordance with existing regulations.

The materials purchased prior to 1 July, 1905, are to be paid for from funds heretofore allotted from the appropriation Repairs and Incidental Expenses of Light-Houses, 1905.

The labor to be performed after 1 July, 1905, is to be paid for from funds to be allotted when available from the appropriation Repairs and Incidental Expenses of Light-Houses, 1905.

Respectfully,
[Signature]

Lieut. Col., Corps of Engineers, U. S. A.,
Engineer Secretary.
