

Supplemental Figure S3: Sample Educative Feature – Rubric for Drawn Observations

	Complete	Accurate	Clear	Labeled	Teacher Comments
	Yes	Yes	Yes	No	This is a nice drawing of a lit bulb. Next time, be sure to label the different parts.
	No- Missing a wire	No - the wire is needed for the circuit to be complete.	Yes	No	This drawing is missing the wire. Try this circuit again and see if you can figure out where the wire goes.
	Yes	No- the bulb should be touching the battery.	No - it is difficult to determine which part is which.	No	This drawing has all of the pieces, but I cannot determine which part is which and where the connections are. Can you draw the connections more clearly and label the parts of your drawing?
