Welcome

Welcome to International Studies! We are a diverse and unique group of individuals who provide access to over 400 languages that span across the entire world, while also supporting research needs and instruction at the university and beyond. This website provides a comprehensive overview of the work we do, including our activities beyond the general scope of work and various initiatives in research and technology. This space was created as part of the Malagasy Library Scholars Summer Internship Program by Intern L. Shepherd and mentored by Nema Llanos.
