Welcome

Welcome to International Studies! We are a diverse and unique group of individuals who provide access to over 400 languages that span across the entire world, while also supporting research needs and instruction at the university and beyond. This website provides a comprehensive overview of the field and its activities beyond the general scope of work and research incentives in language and technology. This space was created as a part of the Multilingual Library Scholars Summer Internship Program by interns Lauren Szeidewitz and8.
