Welcome

Welcome to International Studies! We are a diverse and unique group of individuals who provide access to over 400 languages that span across the entire world, while also supporting research needs and instruction at the university and beyond. This website provides a comprehensive overview of the unit – our services, our activities beyond the general scope of work, and newer initiatives in research and technology. This space was created as part of the Maringa Library Scholars Summer Internship Program by Marcela Stellibben and mentored by Norma Llanes. For general information and hours, visit our department website here, and for more information on our staff, visit the staff listing here.
