## THE ALMA MATER

*Loud ring the cheers where our banners are waving;  
From campus to tower top re-echoes the song.  
The hosts of U-High, undefeated and cheering,  
In a far-flung procession go marching along.*

*Loud ring the cheers where our banners are waving,  
Arousing the spirit that never shall die.  
For those who are gone, but in spirit returning,  
Remember and loyally join in the cry.*

*Loud ring the cheers where our banners are waving;  
The hearts of the victors are happy and strong.  
The hosts of U-High, undefeated and cheering,  
In a far-flung procession go marching along.*
