Why is a student-led conference needed?

LIS students need...

- experience giving presentations to a professional audience
- space to informally discuss ideas, outside of the classroom
- to learn how to network in a low-stakes yet professional-like environment
- an opportunity to engage in service work

Lessons learned

- Create a diverse Planning Committee. Each member brings unique strengths, experiences, and professional network
- Send targeted requests, which yield more responses than blanket email requests
- Provide food for attendees, including those with dietary restrictions. Ending the day with cake has been a hit!
- Pick swag that adds value to the conference
- Build a support network
- Assess the impact of the conference by gathering attendee feedback
- Collect suggestions for improvement from the Planning Committee members
