

President's Advisory Committee

- +Welcome!
 - +Welcome back to Ann Arbor!
 - +You've arrived at a wonderful time of year...
 - +...great weather!
 - +...lots of momentum, as we come
 - +out of a month of May characterized by
 - +...commencements
 - +...alumni reunions
 - +...the May Festival
 - +...and the Salute to Bo!!!
 - +...it is also a time during which the campus
 - +drops to only one-third of its usual
 - +enrollment...the crowds and lines
 - +disappear..and one can even find
 - +a parking space.
- +Appreciation
 - +Let me also thank you for taking time out of
 - +your busy schedules to join us today...
 - +We convened this group a year or so ago
 - +to provide us with advice and counsel.
 - +We believe the University faces a period of
 - +great challenge and responsibility...
 - +...but as well a period of great
 - +opportunity and excitement during the 1990s.
 - +We formed this group as key element in our
 - +efforts to develop a strategic agenda for
 - + the University.
 - +Thus far, you have provided important insight
 - +and advice in a number of areas...
 - +...our general strategic planning.
 - +...the financing of the University
 - +Today, we will focus on an action agenda
 - +aimed reaching the decision on the
 - +launching of a major fund-raising
 - +campaign for the 1990s.

 - +November 16
 - +Topic:
 - +The multiple roles of the U of M as
 - +...a state university
 - +...a national university
 - +...an international university
 - +And how we resolve the inevitable
 - +tensions among these roles...
 - +For example:
 - +i) How to we determine the appropriate
 - +balance among Michigan
 - +residents, out-of-state students,
 - +and international students---
 - +taking into account conflicting
 - +pressures such as:

- +...State Legislature
- +...370,000 alumni...most of which
 - +live outside of the state of Michigan
 - +...our long tradition of serving the world
- +ii) How to we globalize the University
 - +to respond to a changing world...
 - +...and the world nation that will
 - +be America of the 21st Century
- +iii) How we weave the strategy of
 - +balancing these roles into the
 - +objective of the Michigan Mandate,
 - +that is, making the University of a
 - +multicultural learning community for
 - +our society.
- +
 - +We are scheduling this meeting to
 - +overlap with our November
 - +Regents meeting so that we
 - +have all of our Regents in
 - +attendance for this important
 - +discussion.
- + (I would also note that the next
 - +day is the “Little Brown Jug”
 - +game between Michigan and
 - +Minnesota, and we will make
 - +arrangements for your
 - +attendance at the full-range
 - +of events of a great football
 - +weekend at Michigan!
- +Concluding Remarks
