

Welcome

Welcome

It is a pleasure to welcome you to the
University of Michigan.

We are indeed honored to host this
event honoring the Centennial of the
National Institutes of Health

As you may be aware, the University
of Michigan is also celebrating a very
special birthday this year: our 150th year
in Ann Arbor.

Both of our institutes have aged well...

The Importance of NIH

The slogan coined for the advertising
campaign of the University of
Michigan is knowledge heals...

But if there ever were an institution
for whom that phrase is appropriate
it is NIH...

The mission of the institute to uncover
and foster new knowledge that will lead
to better health.

Working in its own laboratories and by
supporting scientific research throughout
universities, medical schools, hospitals,
and research institutions throughout the
nation, NIH has become the world's leading
biomedical research institution.

Here at Michigan we
