

UM-Dearborn

Last Regents' Meeting I will chair in UM-Dearborn

Appreciated hospitality

Developed a deep appreciation for unique role of our regional campuses

...quality of their programs

...quality of faculty and students

...particular commitments to quality UG education

Particularly appreciated the important roles of our

two chancellors, Jim Renick and Charlie Nelms,

who have provided exceptionally able and strong leadership

Too often overshadowed by UMAA

However unique roles have been recognized

...Governor's recommendation

..12% for UM-D

...6% for UM-F

Great optimism about their futures.
