iTeam

Integrative Toolkit for Engagement at Michigan

iTeam is a 2016 Library Engagement Fellows project focused on filling the reflection gap before, during, and after engaged learning experiences. We conducted qualitative campus research and developed prototypes toward a digital toolkit to support student engagement.

Celia Ettinger, Research
Lead

Mengjie (Jenny) Yang, Design
Lead

Garrie Luke, Project Lead
Thank you to our partners and participants:

ArtsEngine • Barger Leadership Institute • Sarah Breen • Diana Case • Center for Engaged Academic Learning • School of Education • College of Engineering • Gabriel Duque • Ginsberg Center School of Information • Instructional Design SIG • Diana Perpich • Amanda Peters • Alex Rivera Vice Provost for Global and Engaged Education
