iTeam -- Exploring Integrative Tools for Engagement at Michigan

Ettinger, Celia; Yang, Mengjie (Jenny)

http://hdl.handle.net/2027.42/122865
iTeam is a 2016 Library Engagement Fellows project focused on filling the reflection gap before, during, and after engaged learning experiences. We conducted qualitative campus research and developed prototypes toward a digital toolkit to support student engagement.

Thank you to our partners and participants:

- ArtsEngine
- Barger Leadership Institute
- Sarah Breen
- Diana Case
- Center for Engaged Academic Learning
- School of Education
- College of Engineering
- Gabriel Duque
- Ginsberg Center
- School of Information
- Instructional Design SIG
- Diana Perpich
- Amanda Peters
- Alex Rivera
- Vice Provost for Global and Engaged Education
