DATA PERSONAS

- Once we got going, it got easier.
- No one is perfect.
- “We can help people solve problems.”
  - Common problems are still common.
- Goals / Frustrations are powerful motivators.
- Personas can help us understand different disciplines.

A congregation of practice

Congregation?
Transparency
Accountability
Integrity
Equitable access to resources
Data discovery, reuse
Protection of research subjects
Responsible data practice is teachable and learnable
“Practice isn't the thing you do once you're good. It's the thing you do that makes you good.”

--Malcom Gladwell, Outliers: The Story of Success

Movement
Skills to work and to live

→ Do I have:
  → strength
  → speed
  → balance
  → flexibility
  → endurance
  → agility

→ Can I:
  → listen
  → observe
  → move
  → be still

Apparently, she's practicing yoga!

Movement needs a coach
Let’s stretch
Choose one prompt for freewriting:

- “A belief that is important to me is...”
- “A gap between my belief and my practice is...”
- “I respond to the idea of congregation in this way...”
- “A discipline of movement that appeals to me is...because...”
