Description

This former Central Campus building is modeled and textured (2007 has seen its destruction-the photo textures indicate the beginnings of such). It serves as the anchor building (as a memorial to its grandeur) for the broader region of nearby buildings. Use the placemarks in the following .kmz file to locate names of other buildings: <http://www-personal.umich.edu/~sarhaus/GoogleContest/FinalEntry/UnivMichiganCampusTours.kmz>
