

Assignment: Plan rater training for your assessment tool

Choosing one of your assessment tools from last week's assignment, and your previously developed assessment plan, please provide the following information:

Name of your assessment tool:

Purpose of your assessment tool:

Will your assessment be formative or summative?:

What type of rater training do you think you might use, and why? If it would be helpful to describe the pros and cons of 2 rater training methods, please do.
