

## Clinical Simulation Module 2: Rater Training for Performance Assessment

Deborah Rooney, PhD, Associate Professor of Learning Health Sciences and Director of Education and Research for the Clinical Simulation Center for University of Michigan Medical School

1. Watch the provided overview video (20 minutes).
2. (Optional) Read the related journal article: Feldman M, Lazzara EH, Vanderbilt AA, DiazGranados D. Rater training to support high-stakes simulation-based assessments. *J Contin Educ Health Prof.* 2012 Fall;32(4):279-86. <https://doi.org/10.1002/chp.21156>. . (Please note that this is not required, but you have it as a resource.)
3. Review the provided 4 primary steps in rater training.
4. Please use the provided handout, "Assignment- Rater Training" to describe the kinds of rater training you might use for your assessment. Please use your completed assessment plan from assignment 1 to complete this assignment. You may collaborate with a partner, if you find this to be helpful.
