19 The Editors of the Journal of Geophysical Research Space Physics wholeheartedly express
20 gratitude to those who served as manuscript reviewers for the journal in calendar year 2019. The
21 peer review process is crucial to maintain the high-quality standards of JGR Space Physics. We
22 genuinely thank those 1,482 scientists who dedicated many hours of their time to submit 3,490
23 reviews for JGR Space Physics in 2019. In addition to the reviewers listed here we would also like
24 to acknowledge our appreciation for JGR: Space Physics editor Alan Rodger, who passed away
25 on January 3, 2020

26 Individuals in *italics* provided three or more reviews for *JGR: Space Physics* during the year.
