File manifest for Eugenia materials in Deep Blue

This document contains a list of what files are in each of the .zip files for Eugenia, which are available at: http://hdl.handle.net/2027.42/155571

Description: This is a play written by Lorae Parry and directed by Anita Gonzalez at the State University of New York in New Paltz in 2012. The play is about a historical person who cross dresses as a man and falls in love with a woman. The zip files contain a range of related documents: Designs (posters, stage plans); Directing Work (blurb, scenes); Dramaturgy (notes, research, events, etc.); Photos; and Reviews. A video is also included as the file and streaming.
