Did you ever learn how to formally appraise FOAMed resources prior to today?

Yes

No

If yes, how?

Lecture

Self-directed

Journal club format

Workshop

Other: \_\_\_\_\_

1. What went well at today's session?
2. Were the learning objectives of this activity met? Please explain why or why not.
3. Should we revise any aspect of this presentation so it would be more effective at meeting the audience's educational needs?
4. Can you suggest any additional resources or other strategies that would enhance this instructional activity?
5. Would you want to continue doing FOAM club as part of our journal club series, or as an additional, regularly scheduled educational experience?
6. Do you have any recommendations for improvement if this lesson was given again in the future?
7. Please indicate how confident you feel in your ability to appraise a FOAM podcast or blog in the future (circle one)?

Not confident
