How to access the Practice Environment

   a. NOTE: you have to be connected to the VPN to access this link
2. Select “Practice Environment” (it’s toward the bottom of the page)
3. Select “Go to the practice environment”
4. Log into Virtual Places using Level-2 Password
5. Go to MiChart Practice Environment

6. Select “open”
7. Select “allow”

8. The Practice Environment will open (it looks like regular MiChart)

9. Log in using the log-in info on the guide for your specific session
