David Portney & Taylor Standiford

WHO?

A team of intellectually curious medical students at UMMS

WHAT?

...that develop sustainable business solutions for community-oriented health care organizations and initiatives

HOW?

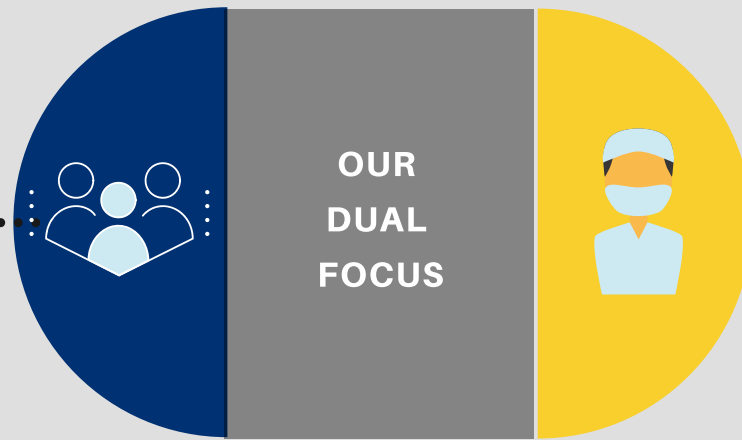

...by combining our clinical skills, analytical abilities, and unique perspectives

WHY?

...to support our local community's health and to empower aspiring physician leaders to influence the future of medicine

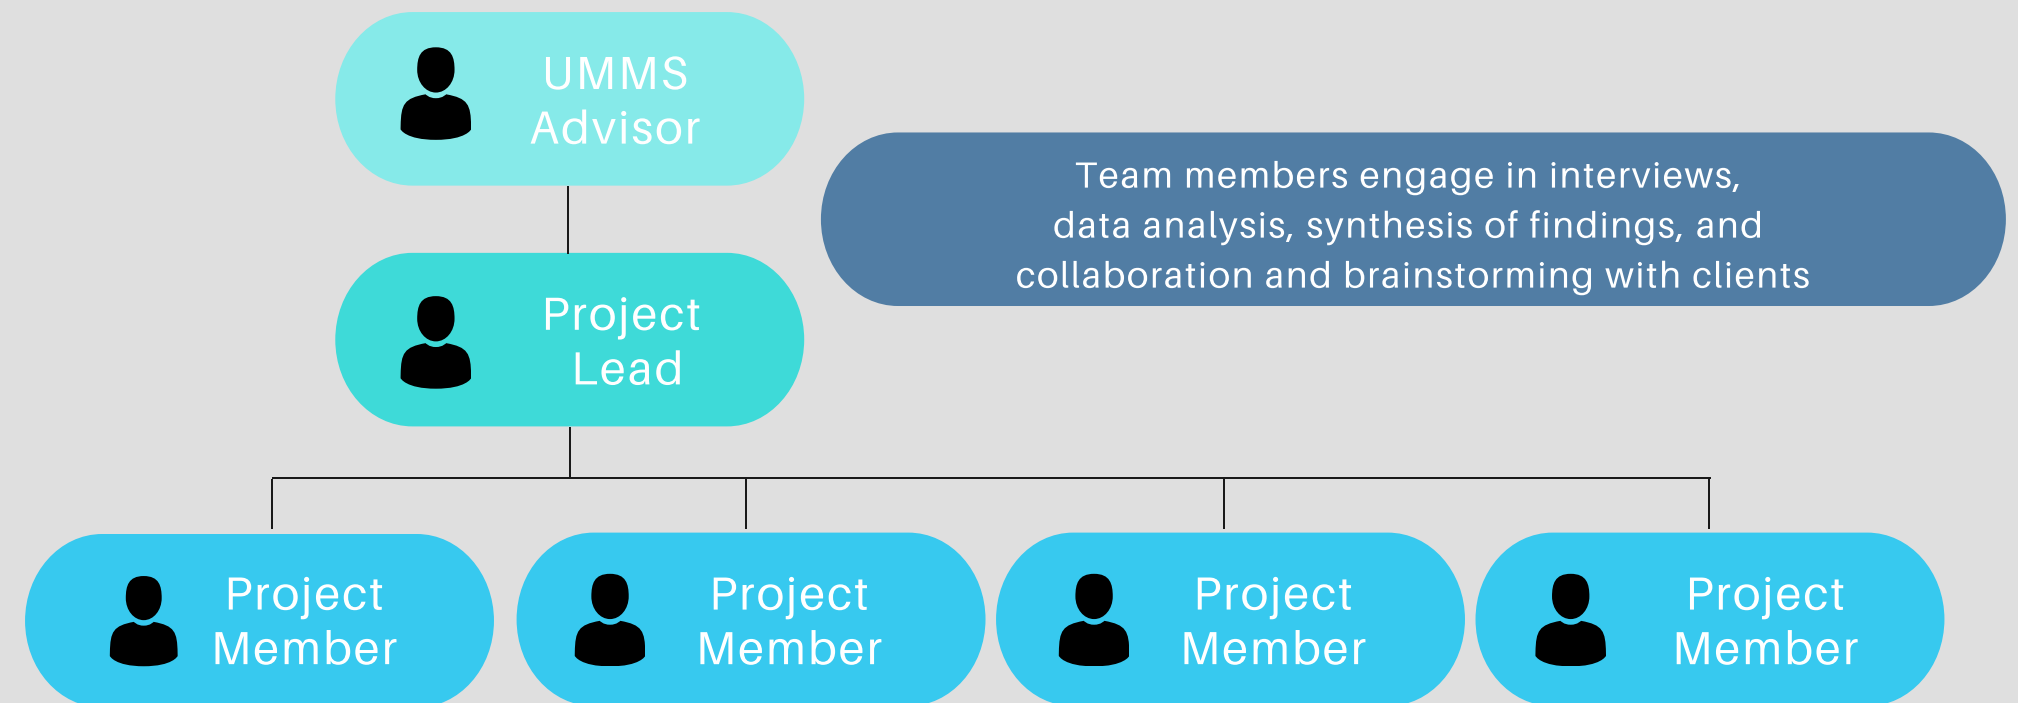

COMMUNITY

Active engagement and problem solving with mission-minded health care organizations

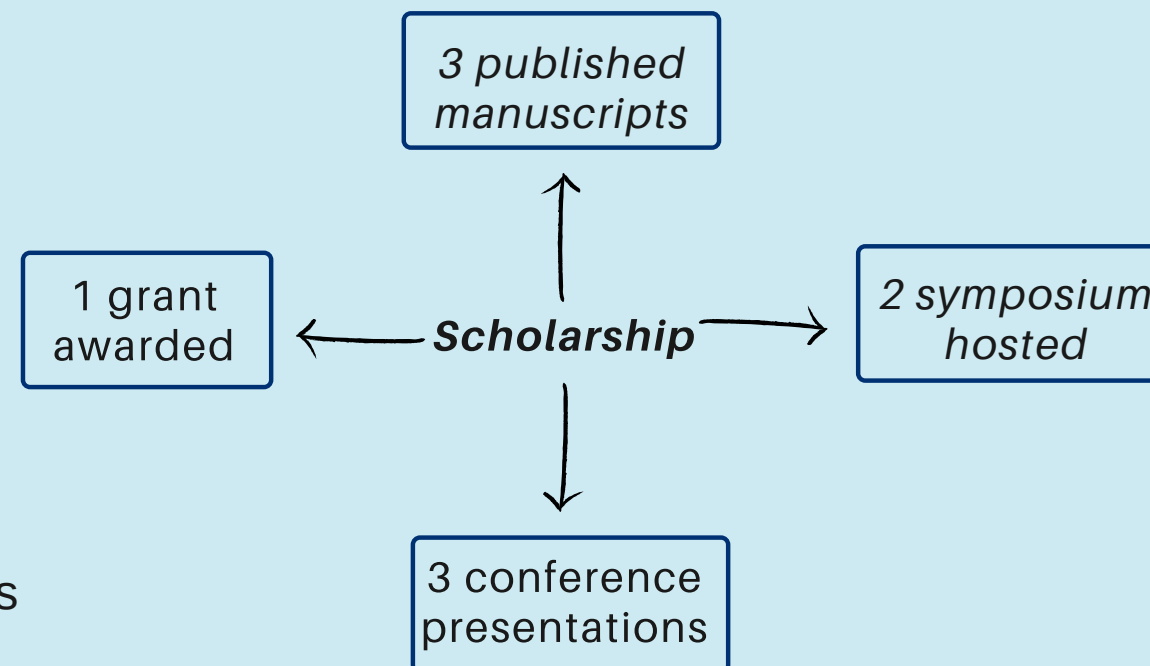

STUDENTS

New experiences outside of the curriculum, enabling them to become future leaders in the industry

GROWTH

- in 4 years
- 10 unique clients
- 14 projects completed
- 58 medical student members

FUTURE DIRECTIONS...
