The [UM Digital Studies Institute](#) is excited to announce the 3rd Annual Summer Institute

[Digital Physical Entanglements: Environments, Bodies, and Space.](#)

This year's theme, *Digital Physical Entanglements*, addresses the intertwining relations between digital and physical with a focus on impacts to environments, bodies, and space.

[Learn More!](#)

We have an exciting lineup of speakers who will be attending this year including Mel Hogan, Mimi Onuoha, and Lisa Parks - just to name a few!

Applications are officially open to apply to attend this year's Summer Institute which is scheduled over two weeks in July 2023.

The first week, July 17th - 21st, will be held virtually, while the second week, July 24th - 28th, will be held in-person/hybrid on the University of Michigan Campus in Ann Arbor, Michigan.

Here before the deadline on **February 21, 2023!**

Please don't hesitate to reach out with any questions! All questions can be directed to the DSI Training Coordinator, Sarah Torsch, at dsi-studentservices@umich.edu
