*This deck is used for coding cover sheets of Interviews, sample non-inter-
views (Refusals, NAH, NI-Other), and House Vacants. However, only the Inter-
view cases are included in merged tape files with other deals from the study.
The non-interview cases are treated as a separate deck, Deck 01-A, and are
stored in card form only. The "A" is not indicated on the cards, but the
set of cards can be separated by using Col. 09, Deck 01.
