Dear Dean Smith:

Dear Tom:

The Fourth Michigan Law School Fund Campaign raised \$144,898.13, to help you and your colleagues on the faculty maintain that extra margin of excellence we all wish for the Law School.

Once more I express my deep gratitude to you, and the hundreds who helped you, for the splendid effort in the 1964 Law School Fund campaign. The continued growth of the fund is surely demonstrable evidence of the loyalty of our alumni and of their desire to maintain the quality of excellence at the Michigan Law School. We on the faculty are most appreciative and I can assure you that we intend to do our part in the educational process.

This is the gift of friends everywhere, aided by the work of more than 300 loyal alumni who, laying aside other demands on their energies, have carried the Law School's message to their fellows. It reflects the determination of those who enjoy the benefits of a legal education at Michigan to keep their school—as *The Victors* puts it—with "the leaders and the best."

Whenever a society encounters rapid changes, whether they be political, social or economic, lawyers are called upon to provide guidance in the formation of the institutions which will bring order to that society. Today's world strains the ingenuity, the patience, and the fortitude of all who are so engaged. This condition necessarily affects the educational institutions which are responsible for producing the enlightened manpower to meet society's needs. Both educational content and educational method are constantly challenged and we seek, as I think our alumni would want, to preserve the best of the past while adapting the best of the new ideas. Your alumni dollars play a significant role in this operation, and we are grateful for the support.

The solid growth of the Law Fund is reflected in the figures:

<i>Those Who Contributed</i>			<i>Amount Raised</i>	
<i>Year</i>	<i>Number</i>	<i>Increase Over Year Before</i>	<i>Total</i>	<i>Increase Over Year Before</i>
1961	1,198		\$ 49,663.61	
1962	1,820	51.9%	87,493.94	76.2%

1964	2,913	16.1%	144,898.13	13.2%
Total			\$410,068.49	

On behalf of the givers, and on behalf of those who worked in the Campaign, it is a pleasure to lay their gifts, and their good wishes, before you.

Sincerely yours,

Allan F. Smith

Resolution

Adopted by the Faculty of the Law School,
March 5, 1965

The Faculty of the Law School again wishes to express its gratitude to the Alumni and friends of the Law School who have so generously responded with contributions to the 1964 Law School Fund campaign. In this fourth year 2,913 donors contributed \$144,898.13 to the Fund, making a total of \$410,068.49 since its inception.

For the time and effort each has given to make the campaign the success that it has been, the Fund solicitors, class agents, local chairmen, state chairmen, regional chairmn and National Committee members are singled out for special thanks.

The greater portion of the money made available has been used to provide financial assistance to needy students—loans, grants and scholarships. In addition, the Fund has assisted in bringing outstanding lawyers, judges and teachers to the campus to enrich the students' educational experience. It has helped support training in advocacy through the Case Club and National Moot Court Program. With University help, it has provided fifteen individual carrells for Law Review staff. Added equipment for the practice court training program and added books for the library have been acquired through these resources. Special gifts this year will permit experimentation with film and video-tape instruction.

This statement of appreciation is to be communicated to all of the alumni of the Law School.

Detroit, the team can advance to the finals in New York and the opportunity to become national champions. Law School Fund donations aid this activity.
