The three pieces of art in this issue (cover, inside front cover, and page 13) are from three new serigraphs by the internationally known Ann Arbor artist Milt Kemnitz. The prints are in two colors in a limited edition of 90. The three piece set includes three views within the Law Quadrangle—(1) the Law Quad (cover) showing a portion of Legal Research, Hutchins Hall and the Dining hall (22" x 15"), (2) the Law Dorms (page 13) (15" x 11"), (3) the Law Cloister (inside front cover) (11" x 9½"). Mr. Kemnitz is selling the sets for \$85.00, or you may purchase single prints, if you wish, for (1) \$45.00, (2) \$30.00 (3) \$25.00. Each print will be individually numbered, titled and signed by the artist. If you are interested, write directly to Milt Kemnitz, Box 7390, Ann Arbor, Michigan 48107. His telephone number is 313-668-9895.

FIRST THINGS FIRST!

The first thing we want to do is to say a sincere "Thank You!" to *so many of you* who helped to make 1977 another excellent year for the Law School Fund, both with your gifts, and, for many, your help with the solicitation.

This is not to suggest that your support in earlier years has not been strong, nor that it was unappreciated, but 1977 was a unique and special year that deserves an added word or two. As you know, during 1977 the Law School was actually conducting campaigns for two important purposes—the annual *Law School Fund* and the *Capital Fund*. The former enables us to meet some of our current needs that help to keep Michigan as one of the world's great law schools. The latter—the Capital Fund—is intended to raise a rather large sum of money, on a one-time basis, to build an addition to the library, to refurbish the Lawyers Club after more than 50 years of wear and tear, for endowments for some professorial chairs, and a few other major projects.

Since you would be on the receiving end of both appeals, we were, quite frankly, a bit apprehensive, and concerned that the friendly competition between the two campaigns might erode the strength of each. But, of course, we *hoped* it would not, and it did not. By any standard you might use, 1977 was a good year for the Law School Fund *and* the Capital Fund.

The rest of this report is *filled* with details of the Law School Fund campaign, so just a few highlights here:

Total dollars	\$527,999.06 (up 5.6%)
Total gifts	5,493 (down 0.3%)
Total donors	5,304 (up 0.3%)
Alumni participation	5,094 (up 0.93%)

When you consider inflation (as we all do) and the slow but steady increase in the size of our living alumni group these may seem to be modest changes, and indeed they are, BUT you should know, too, that during this same period of time, through the Capital Fund, the *Law School Alumni* gave substantially, or pledged, or told the School that it is a named beneficiary in a trust, will, life insurance policy or other deferred gift for a total of \$1,700,000. Nearly one-third of this total was received in cash. The combined support for the two funds—\$2,200,000—IS an *impressive figure*.

CAPITAL FUND

Just a word more about this, since the success of each fund is of great importance to the School. Our original goal was \$10,000,000, and we are nearly there. Of this approximately \$8,000,000 was expected to take care of the addition to the library, but in spite of meticulous advance planning and "guesstimating" the lowest bid for that addition came in at \$9.2 million. The difference is apparent, but because (1) construction costs increase at such a rapid rate, and (2) because the University has confidence in you, the Regents authorized construction to start. It must be obvious that we still need help on this very important project. If you have not yet made your gift or pledge to the Capital Fund, won't you do so now? Content is more important than form—you can send your check, or your pledge, or a note telling of any other plans for the Law School to: Capital Fund, University of Michigan Law School, Hutchins Hall, Ann Arbor, Michigan 48109. If you have questions a letter to the same address or a telephone call to 313-763-3018 will get you the information you need.

KUDOS

It is risky business to single out specific areas or classes for comment because of the very wide difference in size, numbers and previous levels of participation but a few noteworthy accomplishments would surely include:

(1) In the areas with a major number of alumni (e.g. 50 or more) Berrien County, Michigan under Creighton Klute improved its already outstanding mark, and received gifts from 87.6% (57 out of 65) alumni in the County to remain NUMBER ONE in that category.

(2) In the REGIONS, Region II (Eastern U.S. less New York and New England) chairman Warren Laddon and his team showed a 5.8% increase in the number of gifts, and a 48.4% increase in dollars. Six other Regions (IV, VI, X, XIII, XIV and XV) had better than a 10% increase in dollars.

(3) A substantial part of the Region II gain came from the District of Columbia, under Terrence Roche Murphy, where the gifts jumped from 236 to 257, and dollars from \$18,300 to \$40,384. WOW!

(4) Unfortunately no STATE had 100% participation this year but THREE states with relatively small Michigan numbers reported 80% or better participation—South Carolina 91.6%, North Dakota 88.8% and Arkansas 80%.

(5) Among the CLASSES 1962 moved to the top in *two* very important categories—most dollars, and highest percentage of contributors. Congratulations

to the members of '62 Law, and to L. William Schmidt, Jr., who is the class agent.

Other results and leaders in a variety of categories are listed throughout the report. Our congratulations and thanks to all of you.

PROBLEMS? A FEW

Having just shared such happy thoughts you may wonder how we can, at the same time, have problems of any magnitude. Our principal concerns can be stated in three words—LYBUNTS, SYBUNTS and NEVER.

LYBUNT

This is an acronym for "Last Year *BUt* Not This." Our *goal* is to reduce the number of LYBUNTS to zero, but we still have some distance to go. In 1977 we slipped a bit in this department—to 13% of the alumni who had participated in 1976. As a matter of fact, in the seven years we have been keeping this particular statistic this is one of our better marks, but the disturbing thing is that in spite of working on this problem there were still 655 alumni who had participated in the Fund in 1976 who for one reason or another did not do so in 1977. Each year our "team" of solicitors has a substantial drop-off to overcome before it can hope to move ahead.

SYBUNT

You should have no trouble with this. It comes from "Some Year *BUt* Not This" and describes a substantial and changing group of individuals who have participated in the Fund at least once, sometime in the past, but not during the current year nor at least the immediate preceding year. Some LYBUNTS drift into SYBUNTS, but, happily, each year 450 to 525 SYBUNTS again become participants. Total alumni participation *during a single year* recently has been 44%, but approximately 2/3 of our living alumni have participated in the Fund *sometime*. The difference—about 2,650 individuals (both LYBUNTS and SYBUNTS) represents a challenge and a tremendous reservoir of potential support for the Fund in the years ahead—if we can solve the riddle of how to reactivate those who for some reason have chosen to de-activate themselves.

NEVER

This is shorthand for those who had NEVER participated in the Fund. Simple arithmetic tells us this is about 1/3 of all our living alumni—3,800 persons. The National Committee is puzzled and concerned that the number is as large as it is, and we can only speculate why this is so. For many of the more recent graduates it may well be that "start-up" costs and payments on student loans and other debts

make charitable contributions unwise or impracticable. Some others have left the practice of law for business or otherwise, and may feel less concern about the importance of keeping Michigan among the leaders in legal education. A few have written to tell us that it is just a matter of priorities, that their charitable dollars go elsewhere. And a very few have told us that their failure, or refusal, to give is intentional and because of some problem they had or have with the Law School, that has not been settled to their satisfaction. For many more the explanation may be apathy. Whatever the reason, we urge those in the NEVER category to think seriously about contributing to the Fund this year.

We think it is a fair statement that few, if any, of us have paid anything like the full value of our Michigan legal education. We all are indebted to some extent to the generosity of those who preceded us. These debts we cannot repay, but each one of us can, through gifts to the Law School Fund, do something to assure that present and future generations of students and lawyers have a similar opportunity to receive a "Michigan quality" education.

BEQUESTS TO THE LAW SCHOOL

During 1977 the Law School was the direct recipient of money as a beneficiary in the wills of the following deceased alumni or in the wills of their widows:

Harold G. Cant, '05
Clifton G. Dyer, '13
Harold S. Hampson, '29
Elroy O. Jones, '14
Leger J. Metzger, '07
Clark B. Montgomery, '07
Seymour H. Person, '01
Henrietta E. Rosenthal, '18
Russell A. Searl, '26
Marion Lehr Simpson, na
Ray William Smith, '03
Rosina Wolfson, na

Some of these bequests provided new student scholarship or student loan funds, the others permitted the money to be used within the discretion of the dean. These gifts are not reported with any other figures and statistics in the report because they were not the result of a donative intent in 1977, and because we thought the addition to the amount of the proceeds to the annual giving campaign would distort the direct results of that campaign.

These bequests serve as reminders of the truth and applicability of a statement published by one of our sister law schools to show the inter-relationship of its annual giving program and bequests to the school: "Annual giving to the Fund has improved steadily—but death terminates annual giving, and annual givers must become testators who remember the Law School in their wills."

GIFTS-IN-KIND

We have noted before that it is not uncommon to receive gifts of securities in lieu of cash. Such gifts are very welcome, and the securities usually are sold promptly and the proceeds are reflected in the cash figures that we report. Occasionally, however, we receive gifts of real value, but a little less marketable than typical securities, that are not included elsewhere in the report. The past year was no exception. Six alumni who wished ultimately to assure a substantial gift to the Law School, but with a modest cash outlay now, either purchased a new policy or transferred ownership of an existing life insurance policy to the University for the benefit of the Law School Fund. Each will continue payment of the annual premium as they become due. Each of these alumni also became a member of the Presidents Club in this way.

MATCHING AND OTHER NON-ALUMNI GIFTS

As an encouragement to charitable giving many companies and some law firms make matching gifts to the Law School Fund (as well as other donees). If you work for a company or perhaps sit on the board of directors you should check on its policy. In 1977 we received 147 matching gifts from 107 companies and firms.

Many other gifts from non-alumni are sent as memorial gifts (see details in another part of this report). A few other very substantial gifts come through charitable foundations and trusts where our alumni have a role in advising the directors or trustees; and from time to time we receive a gift from an alumnus' individual client who wishes to make a charitable contribution, and on the advice of the alumnus, considers the Law School Fund a worthy recipient. Perhaps you, too, represent a foundation, a trust, or other client that would appreciate knowing more about the Law School Fund.

MICHIGAN INCOME TAX CREDIT

During 1977 we again were able to assure alumni whose income is subject to the Michigan Income Tax that their gifts to the LAW SCHOOL or LAW SCHOOL FUND DO QUALIFY FOR THE CREDIT PROVISION IN SECTION 260 OF THE MICHIGAN INCOME TAX STATUTE.

Thus, without trying to get too technical here (obviously you will want to look at the statute), within the limitations of the Act the taxpayer can receive credit equal to 50 per cent of the aggregate amount of all charitable contributions made by him or her to institutions of higher learning located within Michigan.

The section still provides that the credit cannot exceed 20 per cent of what would otherwise have been the Michigan Income Tax or \$100, whichever is less for a single person, or in the case of a husband and

wife filing a joint return as provided in section 311, \$200, assuming again this sum does not exceed 20 per cent of what would otherwise have been the tax.

There is little doubt that many of our alumni took advantage of this tax credit provision to increase their contribution (or in some cases to make their initial contribution) to the Law School Fund. Many more of you can do the same. Since these charitable gifts also qualify as deductions on your Federal returns (as contrasted to the Michigan *credit*) it means that many of you can make a substantial gift to the Fund, up to \$200 or to \$400 if you file a joint return, without a very large increase in your cash outlay.

Regardless of what you feel you can give, the happy fact is that for those of you subject to the Michigan Income Tax, you can increase the pleasure of your gift to the Law School Fund by the knowledge that you can "recover" a part of it through the Tax Credit allowance.

MICHIGAN BENEFACTORS

This is a personal recognition awarded those individuals, corporations or foundations who by their major gifts to the University of Michigan permit the institution to implement facilities, programs, and services that enable it to maintain leadership among the universities of the world. Basic qualifications for such recognition is a gift of \$100,000 in cash, or \$150,000 in the form of a deferred gift.

Michigan Benefactors were first designated as such in 1974. Among those who have been so honored are the following members of the Law School "family," who either attended Michigan Law School or who are spouses of alumni:

THE PRESIDENTS CLUB

The University of Michigan Presidents Club is one of the most respected organizations of its type in the country.

No other public university and few, if any, private universities or colleges have the allegiance and backing of such a large number of people who support their institution in one of the most effective ways—with dollars.

The Presidents Club has been enthusiastically supported by many Law School alumni and a list of the Law members follows. Law membership increased from 310 to 352.

How can you join?

You may be closer to eligibility than you are aware. All the gifts you have made to The University of Michigan over the 10 years prior to the date of acceptance of membership apply as credit toward your membership, including, of course, your gifts to the Law School Fund.

Gifts of cash, or property or deferred gifts may be used to fund your membership through one of the following means:

(1) A gift in cash, securities, real property, or gifts-in-kind—totaling \$10,000 or more payable either immediately, at the rate of \$1,000 a year for ten years, or within and over the next ten years; or,

(2) A deferred gift of \$15,000 or more payable through a bequest, a Unitrust agreement paying you life-time income, an insurance policy on the life of the donor (or spouse), a trust agreement, or any other deferred giving instrument acceptable to the University; or,

(3) A cash/bequest combination of \$5,000 outright or over ten years at a rate of \$500 annually, and a minimum bequest of \$7,500; or,

(4) A matching gift arrangement whereby a gift of \$7,500 by any individual is combined with a corporate matching gift of \$7,500.

Gifts to the University through the Presidents Club qualify as charitable contributions entitling a donor to federal income, gift, and estate tax deductions as appropriate to type, amount and conditions of gift, age, and income of the donor, and state tax benefits where appropriate.

Gifts through the Presidents Club may be designated for the LAW SCHOOL FUND or any other Law School purpose; for information write or call:

Dean Theodore J. St. Antoine
University of Michigan Law School
Hutchins Hall
Ann Arbor, Michigan 48109

Dear Ted:

We are happy to report to you that 1977 was a successful year for the Michigan Law School Fund, particularly in light of the fact that the 1977 campaign was carried on simultaneously with the first year of the Capital Campaign.

	<u>1976</u>	<u>1977</u>
Total Amount Contributed	\$500,010.39	\$527,999.06
Total Number of Gifts	5,512	5,493

The principal cause of success, of course, results from the generosity of our alumni. This generosity is greatly enhanced by the pride that they feel in being associated with the Law School's continued high quality of legal education. At the same time we all must recognize and applaud the efforts of the individual members of our dedicated Michigan Law School Fund team who are the backbone of the Fund. Without their devotion, the results could not have been achieved. Special recognition, of course, must also go to Professor Roy Proffitt, Lois Richards, Alene Smith and Wenda Richmon of our permanent staff who invariably perform above and beyond the call of duty.

One idea that has been gestating for some time appears to be arriving at implementation through the efforts and energies of Roy Proffitt and Fund Vice-Chairman Bill Groening. This will be a quiet but concerted effort to encourage more alumni to remember the Law School through their wills or other estate plans. Even a modest bequest to a "Law School Fund Endowment," for example, will permit a present donor to continue his or her annual support of the Fund into perpetuity. All of us hope and believe that this effort by Bill and Roy will plant a seed that may be fruitful to Law School Fund Campaigns in the years to come.

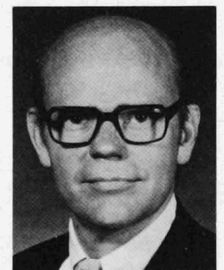

We are looking forward to the forthcoming 1978 campaign.

Sincerely,

David R. Macdonald

Dear Dave:

I couldn't imagine a happier note on which to end my deanship than your report of yet another record-breaking year for the Law School Fund. The experience of other schools that have run both annual giving and capital campaigns at the same time had reconciled us to at least a moderate drop from last year's lofty half-million dollar level. You defied the precedents, however, and led the 1977 Fund drive past the half-million mark again, with some \$28,000 to spare. The very modest drop in the total number of gifts is fully explained by the competing claims of the capital campaign. The heartfelt gratitude of the Law School faculty and students goes out to you, your regional, state, and local chairmen and agents, and to all our alumni and friends who have once more demonstrated their loyalty and devotion to Michigan.

In this last acknowledgment that I shall make as dean of the success of an annual Law School Fund campaign, it would seem especially fitting for me to join you in saluting the extraordinary contribution of the permanent Ann Arbor staff, Lois Richards, Alene Smith, and Wenda Richmon, and their inimitable leader, Professor Roy Proffitt. Even with such splendid people to work with as you and the other alumni volunteers, organizing and coordinating a major fund-raising effort on a year-in, year-out basis is not the most pleasant, intellectually appealing, or spotlight-catching of endeavors, particularly in an academic setting. It is merely indispensable -- particularly in an academic setting. Roy and his peerless crew have built themselves a monument in this institution, which every one of us here realizes even if we do not always articulate it.

It is perhaps symbolic, as I depart the deanship, that I should leave the Fund in the hands of the first National Chairman to come from a class more junior than my own '54 aggregation. Those giants of an older generation, the Sunderlands, the Denises, and the Krugliaks, were towers of strength to me during my tenure. And now, to join a new dean, a new generation of alumni steps forward to help carry on the Michigan tradition of excellence.

Again, thank you for everything, and all best wishes for the future.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ted", written over a faint, illegible stamp.

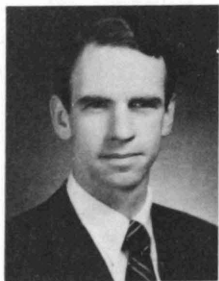

Theodore J. St. Antoine
Dean
