

cies with populations kept small by restricted habitats survive and that some habitats themselves are restored. Such conservation applications are not simply technology. Ultimately, they will provide decisive tests of conservation biology's understanding of the way nature works.

William Conway

New York Zoological Society
Bronx, New York 10460 U.S.A.

Erratum:

An author, Raymond Sauvajot, was inadvertently omitted from a paper "Reconstructed Dynamics of Rapid Extinctions of Chaparral-Requiring Birds on Urban Habitat Islands," published in the preceding issue (Volume 2, No. 1). The list of authors was correct in the Contents section of the issue. The correct list of authors and addresses is:

MICHAEL E. SOULÉ
School of Natural Resources
University of Michigan
Ann Arbor, Michigan 48109, U.S.A.

DOUGLAS T. BOLGER
ALLISON C. ALBERTS
Department of Biology, C-016
University of California, San Diego
La Jolla, California 92093, USA

RAYMOND SAUVAJOT
Division of Environmental Studies
U.C. Davis
Davis, California 95616, U.S.A.

JOHN WRIGHT*
MARINA SORICE*
SCOTT HILL'

* Correspondence to these authors should be sent care of Michael E. Soulé
