Competencies: Practice-based Learning and Improvement, Communication, Professionalism

MODULE 8: The Librarian as a GME Competency Consultant @ UM
Competencies: Patient Care, Practice-based Learning and Improvement, Systems Based Practice

RESULTS
FY 2007
- 526 residents and fellows exposed to librarian-led skills instruction
- 50 contact hours in 40 sessions
- Program directors buy-in for adoption in >84 programs
- Development of course evaluation tool
- Useful feedback from residents to improve the modules

RESIDENT FEEDBACK
Positive Responses:
"It was really nice to ... help modify what I am already doing to improve my productivity.""""I'm a [intern]... I was wondering if you could help me with a search, since, aside from UpToDate, I'm incredibly ignorant of how to make use of the online resources available to me.""""Everyone commented to me how useful it was...""""I hope to use some of your tips to make my research more efficient!"

NEXT STEPS
- Validate MEDLINE search assessment tool
- Conduct formal programmatic evaluation of the 8-module curriculum
- Develop tools to assess information seeking behavior
- Develop modular curricula for public health and basic sciences
