Meeting called to order by Supervisor Morgan.

Mr Price of the Washtenaw County Health Dept spoke to the board concerning the proposed plans the City of Ann Arbor and the fringe areas have for sewage disposal. He said that Mr Shepherd of the State Health dept favors setting up a special Assessment district instead of forming a corporation. Mr Price also thought the Township Board should consider having some Sanitary Engineer make a survey of Pittsfield Township which could be used as a basis for use of the Special Assessment district. Also this survey could be used to determine whether a pumping station to pump sewage into the proposed main line, or a new main to follow the natural flow to the Huron river and join the line there and then to the sewage disposal plant. It was agreed by the board that this survey should be made and the Supervisor would see our attorney regarding the expense of making this survey.

Minutes of the last regular meeting were read and approved.

Motion by Ernst supp. Flemming that Supervisor Morgan be authorized to contract for a telephone extension and bell for the Fire Dept. Carried.

Motion by Flemming supp. McCalla that the annexation of School District 2 Fre to the City of Ypsilanti be approved by the Township Board and to become effective July 1. 1950 Carried.

Meeting called to order by Supervisor Morgan.

Mr Parker presented a petition to the board regarding setting up a Special Sanitary District to provide sewage disposal for approximately 90 acres of land in Pittsfield Village and the new Pittsfield Park development. The sewage disposal system as proposed has the approval of Mr Shepherd of the State Health dept. As proposed the developers will build the complete sewage disposal plant, to take care of the proposed area, which plant would then be turned over to Pittsfield Township who would arrange and be responsible for the operation, collection of fees and everything pertaining to the plant. It was decided by the board that such a plant was necessary if plans did not materialize for joining on the Ann Arbor sewage disposal system, but further study should be made before a resolution was made to form the special Sanitary District.

Motion by Fleming supported by Haywood to have our attorney Mr Lehman investigate the possibilities of the proposed Special Sanitary Dist. and if it is deemed necessary to arrange a trip to Lansing to confer with the proper State officials regarding the setting up and the operation of a Special Sanitary District Carried.

Minutes of the last regular meeting were read and approved.

Supervisor Morgan reported that Mr Lehman was investigating the making of a Sanitary survey in the Township. Also that the case of Pittsfield Township versus Tinsley was to head in circuit court Sat. A.M. March. 18.

Supervisor Morgan reported that he had investigated the cost of having a phone extension installed at the Fire Dept. the cost of a phone extension would be $1.25 a month plus installation. Also in connection with the fire dept he said that East Ann Arbor had available two sirens which

the Township could purchase. After discussion it was thought by the board that sirens would be more satisfactory than an extension phone.

The following motion was made by Ernst supported by Haywood that Mr Morgan see if the telephone co. would connect sirens to the phone at the fire hall and if so, purchase the two used sirens from East Ann Arbor. Carried

Mr Bird, building inspector, reported on his activities for the past month and that he had issued 3 building permits #204 thru 206 for 18.00, 6 gas permits at 2.50 for 15.00, 1 gas permit for 3.00 and two trailer permits for 20.00 totaling in all 55.00.

Regular, Annual, Special

Date of Meeting April 3 - 1950 Time 1:30 P.M.

Present S. Morgan, Supervisor, Ruth McCalla, Treas. and A. Fleming Clerk.

Absent Forrest Haywood and Andrew Ernst, Justices.

Meeting was called to order by Supervisor Morgan.

Mr Morgan reviewed the work of the Township Board during the past year and in reviewing the financial statement explained the rather large balance in the Improvement fund. This balance was due to the fact that all fire dept dispersments were taken from the General fund also that the Township should be preparing to build their own fire hall and a sum should have been set aside each year into a building fund for this purpose. Mr Morgan also stated that it was now possible thru the efforts of Harold Losey to purchase an acre of ground on the South East corner of South State and Ellsworth Roads for about five hundred dollars. Mr. Morgan recommended that the Township set up the building fund and also purchase the site on South State and Ellsworth Roads as a future site for a Township Bldg.

After a general discussion by those in attendance at the Meeting the following motion was made.

Motion by Ray Gibbs supported by Webb Harwood that the Township Board be authorized to purchase the acre of land from Harold Losey at a price agreeable to both parties) Motion carried.
