Date of Meeting Feb. 27-1957 Time 7:00 P.M.

Present: Supervisor Morgan Treasurer Lavender, Trustees Haywood, Hutzel and Clerk Fleming
absent Trustees Ernst and High.
Supervisor Morgan called the meeting to order.
The meeting was held this night instead of on the 28th of February as originally scheduled so as to coinside with a meeting being held by the Zoning Board.
The meeting was called for the purpose of meeting with Zoning Board to discuss their decision to deny a change in zoning of 28.3 acres on Carpenter Road from A-1 to M-1. Industrial.
Present at the meeting were three members of the Zoning Board Chairman Jack Hogan, Owen Cady and Secretary Morton Cox,
Also present was Mr Blashfield an attorney representing Mr. Brath of Detroit, the petetioner for the Zoning Change.
In discussion it was brought out that the main reasons for denying this change in zoning was spot zoning and that a buffer zone was not provided for feture development of property to the north and west of this property. It was mutually agreed by the Zoning Board, the Township Board and Mr. Blashfield that if a buffer zone of C-1 Commercial was established on the frontage on Carpenter Road and on the north line of the 28.3 acres the Zoning change could be made.
As a result of the discussion the following actove was taken and was agreeable with the Zoning Board, the Township Board and Mr. Blashfield.
Motion by Hutzel supported by Haywood to approve a change in Zoning of 28.3 acres of the Ellsworth Property north of the N.Y.C. RR on Carpenter Road from A-1. Agricultural as follows. Present Supervisor Morgan. Treasurer Lavender, Trustees Crust Haywood, High and Clerk Fleming

Absent Trustee Hutzel.

Also present were Norman Thompson Fire Chief and Mr. Mellon of the Howe Fire Apparatus Co.

The group left for Commerce Mich where a Howe Fire Truck was examined, the Truck and Pump were placed in operation. The Fire Chief at Commerce who put on the demonstration liked the Howe equipment very much and although the Truck and equipment was nearly three years old only a very few minor repairs had been made.

The group then left for West Bloomfield Township where another Howe Truck was stationed. This Truck, being only about one month old, was much larger and had a front end pump in addition to the mid ship Volume pump. This was a fine piece of equipment and certainly much improved on over the earlier model at Commerce.

After our return to the Township Hall about 3:30 P.M. a discussion was held by the Board members and Mr. Thompson Fire Chief, during this discussion it was agreed that the Howe Fire Apparatus was very good with the exception of sheet metal application at door openings and cut outs which were not braced at all but only crimped and it was observed that on the Truck at Commerce the side panels not being braced were very weak and that the corners of nearly every opening were split. Also on the Truck at West Bloomfield Township which had several compartments for storage, no provision was made to weather seal the compartments for protection against dust, water etc.

It was decided that the Board would withhold a decision until after an examination of the Bean Apparatus had been made.

Mr. Kaehler of Brookside Subdivision appeared before the Board and presented a check for 2000.00 as their contribution for the resurfacing of Stone School Road. Mr. Kaehler also stated that by the 15th of the month he expected about 200.00 additional will be collected.

Supervisor Morgan accepted the check and stated that it was hoped grading could be started on the road yet this fall.

A communication from McNamee, Porter & Seeley was read regarding the proposed lateral sewer systems for the south part of Oak Park Subdivision and the altered line along Packard Road instead of on the rear lot line of the lots facing on Packard Road. and that this change would result in an increase of 11,834.00 in the cost of the lateral sewer system, also that two critical points would be had because depth would be under nine ft which is desirable.

After discussion the following action was taken

Motion by Ernst supp by Lavender that the Board approve the original proposal of Lateral Sewers for the Southeast District. Motion Carried

Motion by High supp by Haywood to approve and pay the months bills Mot. Carried

Motion made supported and carried to adjourn.

Ingaid Lambert H. Fleming
Clerk.
