An outline of the planning phase of a proposed Industrial Park on 241 acres of the Perry Losey farm & University of Michigan property north of Ellsworth Road, between State Road & Stone School Road (south of the expressway) was given by Mr. Larry Ouimet, chairman of the Chamber Committee. It was stated that location was the only available property with essentially one owner who was willing to tie up property for possible long-range development. Sewer and water could be furnished by the City of Ann Arbor. Some property north of area towards city limits was reportedly agreeable to annexation, but some essential parcels are owned by persons opposed to annexation. Township board was asked concerning possible help in arranging annexation for good of city & township. A general discussion of possible effects of such a development on the welfare of the city & township followed.

Minutes of Special (Regular, Annual, Special) **Meeting held at** Township Hall

Date of Meeting September 16th 1960 **Time** 8 P.M.

Present: Supr. Morgan, Treas. Lavender, Trustees Haywood, Hutzel, Hogan, & Ernst, & Clk. Rider. (with Mayor Creal, Guy Larcum, and seven city council members.)

Absent: None.

The meeting was called to discuss mutual problems of Pittsfied Township and the City of Ann Arbor with special reference to the proposed Industrial Research Park Annexation. Items discussed were-

1- What zoning restrictions will be maintained by the city for the protection of township neighbors in annexation vicinity? Assurance was given that city would be even more strict than township.

2- Would city assume cost of improvement of State Road north of Ellsworth? No positive commitment, but favorable reception to idea (2700^{00} cost ±.)

3- Swift Run Sewage billings to Township by city require revision. Are too high because of infiltration of storm waters from Pittsfield Village and Park. General agreement to renegotiate Sewer Contract, with consideration of putting in a meter to record sewage from city area served by Swift Run Sewer, or placement of entire service on a flat rate charge per opening.

4- Enlargement of Swift Run Sewer district to extend south from Packard Road as far as natural drainage extends, plus area North of Washtenaw and East of Hogback Road. Agreement by City to explore request in Council meeting.

5- Use of untreated water from Steere farm by land owners along State Road from Ellsworth Rd. to City limits, to be permitted by City. No commitment by city.

Date of Meeting Oct. 7th 1960 **Time** 10 A.M.

Present: Supr. Morgan, Treas. Lavender, Trustees ~~Haywood~~ Hutzel, & Ernst, & Clk. Rider.

Absent: Hogan & Haywood.

Meeting was called with city officials & Pittsfield Village management to discuss billings by City on Swift Run Sewers. City administrator Guy C. Larcum reviewed the City-Township contract and history. Billing was started in June 1957, before meter was installed, at flat rate of $3.72 per opening. Meter was installed in November 1957. December 1957 bill rose to $1865.25. No succeeding bill has approached this amount.

After considerable discussion, & several proposals, it was agreed that an average billing figure be arrived at by averaging January through June 1958 bills to set December 1957 billing.

The City is to figure cost of installing two meters to be furnished by the City, in order to separate Pittsfield Village Sewage from the rest of Swift Run. Cost, if installed, to be ammortized over a ten-year period.

It was agreed to review contract every two years in order to adapt it to changing conditions.
