

Article Eligibility

Article Accession Number (PMID)

Is the manuscript reviewable?

- Yes
- No, Protocol
- No, OPR not available
- No, irrelevant publication type (comment, editorial, etc.)

Is a full reproducible search strategy for at least one database available (in text or supplement)?

- Yes
- No

Total citations screened (after deduplication if indicated, otherwise total number from all databases)

Expectation for comment (for full paper) - no reproducible strategy is automatic "C"

- A - No revisions needed (no comments expected)
- B - Revisions suggested (expect reviewer comment)
- C - Revisions required (expect reviewer comment)

Potential problem areas (PRESS B or C)

- Presence and/or reproducibility of at least one strategy (PRISMA compliance)
- Database Selection
- Supplemental Strategies (reference tracking, grey lit, author contact, etc)
- Search Date Range
- Translation of the research question
- Boolean and proximity operators
- Subject headings
- Text words
- Spelling, syntax and line numbers
- Limits and filters (language, publication type, etc)
- Other

Were any aspects related to the search mentioned in the open peer review files?

- Yes
- No

Who mentioned aspects of the search?

- A Reviewer
- Editorial Staff

Check all search aspects that received comment

- Presence and/or reproducibility of at least one strategy (PRISMA compliance)
- Database selection
- Supplemental Strategies (reference tracking, grey lit, author contact, etc)
- Search date range
- PRESS 1: Translation of the research question
- PRESS 2: Boolean and proximity operators
- PRESS 3: Subject headings
- PRESS 4: Text word search
- PRESS 5: Spelling, syntax and line numbers
- PRESS 6: Limits and filters (language, publication type, etc)
- Missing Studies (may or may not be related to the search)
- Positive Comment
- Other

Text of search-related comments

Did the author(s) address the search-related comments in their reply?

- Yes

No

Unclear (reply files unavailable)

Text of author replies to search-related comments (if applicable)
