

Study ID: HUM00094780Biology 173 Curriculum Study-Informed Consent

I understand that the Department of Biology, is conducting a study to determine the impact of new curricula on student learning in Biology 173. I understand that there are no anticipated risks or benefits to participants in this study. Overall, this study seeks to provide information that may ultimately improve Biology instruction at the university level. Your responses in this study will, in no way, affect your academic standing or record.

I understand and give permission for my survey responses to be used in this study. I understand that the responses to the survey I complete today will be compiled and analyzed by a collaborator who is not associated with the Biology 173 course, and that the analysis will not occur until after grades have been assigned for the semester in which these responses are collected. I also understand and give permission for my background information, which is available from University of Michigan databases, to be linked with my name and my survey responses and other coursework as a part of the analysis carried out in this study (as available, scores from: Biology Placement Exam, Mathematics Placement Exam, SAT Exam, ACT Exam, AP Exam; credits earned at the University of Michigan, credits transferred to the University of Michigan; gender; ethnicity; and grades in Biology 171/172 courses and in Biology 173 from the semester in which these responses are collected. My consent is being given voluntarily. I may refuse to participate in the entire study or in any part of the study. I am free to withdraw at any time without any negative effect on my relations with the University of Michigan or with any other participating institutions or agencies. If you wish not to participate in this survey, but still want the opportunity of an extra credit assignment please email Bio173Survey@umich.edu. Any inquiries about this study should be directed to Bio173Survey@umich.edu. Q33 If you wish to participate in this survey, select the box below. If you do not wish to participate in this survey please close the browser.

Yes, I wish to participate in this survey. (1)
